ABOUT THE STATE Happenings of Interest from Different Sections.

In Monkton grasshoppers are clearing all vegetation of leaves, even to garden vegetables, currant bushes and

Leaf blight and gypsy moths are making havoc with maple trees in Underhill, in many instances the trees being wholly denuded of their foliage.

Clayton L. Erwin of Barton has been chosen superintendent of schools for the towns of Rockingham and Westminister. Mr. Irwin has been superintendent at Barton for 14 years and is a graduate of Dartmouth.

Orleans, in the town of Barton, is holding a four-day celebration of the ounding of the village 100 years ago. It was known until recently as Barton Landing. Thousands of dollars have been spent on decorations. An open-air theatre to accommodate 2,000 people has been erected in the public square for entertainments and addresses.

Rural Mail Carrier C. H. Stratton, who, in accordance with government orders, was to retire as mail carrier from the Enosburg Falls postoffice Aug. 20, on account of the age limit, has been granted a two-year extension of service and he is as usual serving the other carrier affected by the same postoffice order, expects to receive the twoyear extension, although while waiting vesults a substitute is covering his

The Addison county chapter of the Red Cross is the first in the state to Symbol of Ancient Peoples Left By introduce a course in the public schools to teach home nursing. This is a part of the peace program of the Red Cross. Miss Laura Roburds, a reserve Red Cross nurse, has been secured as instructor and the county organization will place equipment in the junior and senior high schools.

Harold, son of Mr. and Mrs. A. D. Levine of Essex Junction, stepped on a 12-penny nail, which was driven into a plank and the nail was forced up through the instep, being wedged in so closely that he had to use considerable strength on the board to pull the any permanent injury will result.

Another orchid has been added to the already long list kept at the Fairbanks museum in St. Johnsbury. A station for white adder's mouth has been found within five miles of the museum which is a rare species in the state. Thirteen species of plants new to the
